

A beautiful Sunday brought out 10 die hard shooters for the McFly Outdoors 22LR 300 Yard Rimfire shoot today. Not even the high water could stop these folks from getting to the range for a friendly competition.

Willie Ratliff led the pack today with a blistering 392-8X. His 392 ties the highest score we have had so far in this division. (Bryan Henry 7/17/22)

Braden Workman finished 2nd with a 382-8X

Steve Gregory rounded out the podium with a 3rd place 381-8X.

We had a newcomer today that took away Top Junior award with a 376-10X - Brody Knight!

We love to see new faces and especially the juniors! Thanks to everyone for coming out and participating!

The next Rimfire match will be on 9/10/23. Come out and join the fun!
